

## Wall of Honor

Our "Wall of Honor" is a way to recognize and honor your loved one. For only \$500, a nameplate will be attached to the drawer you select where you can place pictures, letters, award, or articles inside the box to remember them forever.

Any veteran can be honored in this way.

Your gift is tax deductible!

## What & How to Donate

**Cash Donations:** Thirty (30) percent of The Journey Home's operating cost is dependent on individual, family and organization cash donations.

**Food:** Feeding 12 to 15 Veterans daily is over a \$40,000.00 expense. Groceries and house hold items are always welcome.

**Clothing and Household Items:** Our Veterans come into the home with just the clothes on their backs.

**Time and Appreciation:** Veterans need healthy interactions, healthy connections and healthy relationships.

Credit and Debit Card donations can be made by visiting our webpage, or calling The Journey Home. Checks and Money Orders are always welcome.
